Shown below are a selection of Frequently asked Questions (FAQ's):

Utilities

Included in the rental price are: all electricity (for heaters there is a small extra charge), gas and water, quality linen, duvets, robes and towels.

Equipment for young children

Cots, high chairs and other baby equipment are available at no extra cost.

Linen, Towels, Bedding.

Linen and towels provided for your convenience.

Range of quality bed linen, duvets, pillows, mattress and pillow protectors, towels, tea towels, bath mats and house robes, all inclusive of your cottage rental.

For guests who prefer not to have duvets, we have an alternative selection of beautiful natural fibre blankets.

Towel sets are provided for each guest (adults, children and infants) and include quality bath sheet, hand towel and flannel.

Please note that beach towels are not provided.

Heating

Heating is not included but electric heaters and wood for the wood-burning stoves is available at an additional cost of £70 per week per Gite subject to fair usage. We have found that most of the time these are not necessary in summer.

Christmas / New Year

Heating is included. Hot Tub is available but the pool is closed.
